## Illinois USBC Youth State Team & Doubles/Singles Tournaments

The Illinois USBC State Youth Team Tournament will be held at Western Bowl starting the last weekend in March running through the last weekend in April. The CA USBC Association will be providing support by supplying lane monitors/scorekeepers. Youth teams interested in bowling should contact Randy McKaufsky, [randym54@hotmail.com](mailto:randym54@hotmail.com) for information. Anyone interested in working during the tournament should also contact Randy for information.

The Illinois USBC Youth Leaders will be conducting Doubles/Singles during the same time as the Team Tournament at Arrowhead Lanes. Contact Patti Mauerman, [eevore1@dishmail.net](mailto:eevore1@dishmail.net) for information.

## First 300

Little did **Darrell Cox** know when he arrived to bowl in the *Faculty–Staff Bowling League* at Western Bowl on October 8<sup>th</sup> that he would have an experience of a lifetime. While Darrell is a celebrated Illinois State Champion Morel (mushroom) hunter, he never expected to accomplish a feat that would warrant recognition in his weekly pastime. However, this night, in his first game, Darrell rolled a perfect game, his first 300. While it had always been a goal of his, he was beginning to believe that it might not happen. Darrell is University of Illinois retiree who also happened to celebrate his seventieth birthday not long before that memorable evening. While he's not the oldest to shoot his first 300, he's the most recent senior to do so.

**Congratulations, Darrell!**

## Did you know? Taken from Rules–Mythbusters on [www.bowl.com](http://www.bowl.com)

MYTH: Any handicap used by a league equalizes competition.

BUSTED: According to a four-year study of handicap leagues (mixed, all-women and all-men) the handicap percentages 75%, 80% and 90% do not fully equalize competition:

Handicap Percent	Championships won by team with average below median in the league	Championships won by team with average above median in the league
70	0 out of 100	100 out of 100
75	0 out of 100	100 out of 100
80	0 out of 100	100 out of 100
85	6 out of 100	94 out of 100
90	11 out of 100	89 out of 100
95	24 out of 100	76 out of 100
100	30 out of 100	70 out of 100
