- A participant may earn multiple tournament participation awards, but only one placement award in lieu of the participation points. - Bowlers will earn league participation points based on league games completed from Oct. 28, 2024, or date of entry into the cup to 18 weeks of bowling from starting date, not to be later than March 23, 2025.
- Each league game and league series are eligible for the highest pins over award points.
- Bowlers will earn both league participation points and pins over award points. Ex.: a 200 average bowler bowls games of 250, 255, and 260. The bowler will earn 3 points for league games plus 5 points for each 50 over game, plus 9 points for 125 over series award. Their grand total for the night would be $3+5+5+5+9=27$.
- Bowlers must enter prior to the league night starting for any points to count that night. Ex.: a bowler shoots 300 and then pays the entry fee after the game will not get credit for that game but will get credit for any week after that.
- Bowlers may enter as many leagues as they bowl in, including any leagues they sub in.
- Bowlers are not required to enter every league. Ex.: If they bowl full time in 2 leagues and sub in a 3rd, they can enter in 1, 2 or all 3 leagues.
- Points shall not be added once a league has surpassed their 18 allotted weeks from the starting date.
- Points will not be accumulated after March 23, 2025 even if a league has not surpassed their 18 week allotment.
- Top 50 Points-Earners will participate in the End of Year Season Finale. Finalists will be announced two weeks prior to the End of Season Finale. Should the qualifying number of entries be less than 100, we will take the top 40 for the Finale and less than 75 will advance 30 to the Finale.
- Members may only earn one spot for the season finale. Ex. If a member qualifies 6th, 26th and 65th from three leagues. This member will only qualify for one of these spots and the other spots will be awarded to the next member(s) after 50th.
